

# THE STINNETT STANDARD

## DISTRICT 41 LEGISLATIVE NEWSLETTER

## Hello Neighbors,

I'm Delegate Sean A. Stinnett, and I'm proud to officially introduce myself as your new representative for Maryland's 41st District.

Since being sworn into the House of Delegates on March 3, 2025, I've been fully immersed in the work of advocating for our communities, from Forest Park to Pimlico. I believe in service rooted in action, and I'm excited to share what we've accomplished and what lies ahead.

## About Me

Born and raised in Baltimore, I've always been driven by a passion for public service and equity. I'm a proud graduate of the Baltimore School for the Arts, Baltimore City Community College, and Coppin State University.

My background spans media, coaching, and public administration—most recently serving as Deputy Director in the Mayor's Office of Minority and Women-Owned Business and Director of Baltimore Main Streets.

I've led grassroots efforts through the West Arlington Improvement Association and the 300 Men March movement. These roles have grounded me in the needs and dreams of our neighborhoods—and they continue to guide my work in Annapolis.

# *Community has always come first.*

## FIRST SESSION HIGH LIGHTS

During my first legislative session, I had the honor of being appointed to the Judiciary Committee, where I focused on Criminal Law & Procedure and Family & Juvenile Law.

I've also joined the following caucuses:

- Legislative Black Caucus of Maryland
- Maryland Veterans Caucus
- Legislative Latino Caucus of Maryland

These caucuses are more than affiliations—they're coalitions for justice, economic empowerment, and equity across our state.

## BOND BILL FUNDING SECURED FOR DISTRICT 41

Our district received significant funding for projects that will strengthen and uplift our communities:

# Championing Change for District 41

## THE STINNETT STANDARD

In just my first few weeks in office, I co-sponsored 20 legislative bills—each one rooted in justice, accountability, and opportunity for Marylanders.

These bills reflect the priorities of our district: safety, equity, and systems that work for the people.

Here are a few key pieces of legislation I'm especially proud to support:

### **HB0853 – The Maryland Second Look Act**

- Gives incarcerated individuals a chance to request a sentence reduction after 20 years, if certain conditions are met.

### **HB0675 – Public Safety: Rape Kit Testing**

- Strengthens the Rape Kit Testing Grant Fund to ensure better tracking and timely processing.

### **HB0860 – Public Nuisance: Common Carriers**

- Prevents utility and trucking companies from damaging public infrastructure and causing community disruptions.

## FIRST SESSION HIGH LIGHTS

Looking ahead, I remain committed to:

- **Advancing health equity and improving healthcare access**
- **Addressing housing justice and supporting affordability**
- **Strengthening education for our youth**
- **Championing criminal justice reform**

I'm proud to support legislation from the Legislative Black Caucus's 2025 Agenda, including the Youth Equity and Safety (YES) Act and the formation of a commission to study reparations for African Americans in Maryland.
